

Assistant Accounting Manager

- **Leading US MNC company**
- **Regional Coverage**
- **Circa HK\$500,000 p.a.**

Our client is a leading US Listed manufacturer with diversified client portfolio in Asia and extensive business coverage in China. They are now searching for the high caliber candidate to join and assist their accounting team in the Asia region.

The incumbent will report to Senior Manager.

Responsibilities

- Manage the management accounting team by streamlining and enhancing the operational effectiveness and efficiency;
- Closely work with other departments to prepare annual budget and report and provide recommendation on performance evaluation and financial results
- Manage the generation of quality budget versus actual reporting for the bank
- Provide professional financial advice to the top management

Requirements

- Degree holder in Accounting, Finance or equivalent with Qualified CPA
- Over 5 years financial exposure with working experience in US Listed manufacturing sector environment; Big 4 background is a plus
- Good interpersonal and communication skills and ability to work under pressure in a demanding and fast pace environment; Good command of both spoken and written English and Mandarin
- Knowledge in ERP systems
