

Associate Director, Corporate Recovery

- **International Consulting Firm**
- **Potential Partnership In Medium Term**
- **Base HK\$1.2M+ Plus Attractive Bonus**

Our client is a major player in the restructuring, insolvency and forensics consulting business with operations worldwide. Their corporate recovery function has been leading the market in the recent years. With rapid expansion, they are now looking for a seasoned professional to join their team.

The incumbent will report to the Partners.

Responsibilities:

- Lead a team of 30+ professional staff to handle debt restructuring projects for corporate clients
- Analyze business performance by assessing its financial position and viability and provide professional advice on recovery strategies in distressed companies and transactions
- Develop appropriate turnaround plans and debt reduction programs leading to the greatest recovery of the debtor's business
- Work on formal insolvency appointments and deal with stakeholders and related parties
- Frequent travelling to China is required

Requirements:

- University degree in Accounting/Finance with CPA and/or CFA qualification
- 10-12 years solid experience in corporate recovery/restructuring in sizable professional consulting firms
- Strong business network with corporate and bankers, esp the Greater China market
- Solid client facing skills and business acumen; strategic and a strong leader
- Superb communication in both English and Chinese with excellent report writing skills

Candidates with less experience can be considered as **Senior Manager**.

To apply, please forward your resume to resume@gsiconsultants.com.hk or contact **Ade Wong** at +852 3755 5400. All applications will be treated with strict confidentiality. Only short-listed candidates will be notified.
