

Regional Internal Audit Manager, Asia

- Leading US MNC company
- Regional Coverage
- Circa HK\$900,000 p.a.

Our client is a leading US manufacturer with diversified portfolio of investment in Asia and extensive business coverage in China. They are now searching for the right candidate to join and lead their Internal Audit team in the Asia region.

The incumbent will report to the Director of Internal Audit.

Responsibilities:

- Be the right hand-man of the IA Director and work closely with the Global IA Director in US
- Take full responsibility for all the financial, operational and risk based audits across multiple business units at various locations
- Help execute Global IT audit plan and provide recommendations on process and system improvements
- Work closely with business unit heads and senior management in reviewing and developing internal control policies and procedures
- Based in HK/Southern China with frequent travelling

Requirements:

- University degree in Accounting or Finance with CPA, CISA or CIA qualification
- Minimum 10 years' relevant experience preferably gained in Big4 and MNC manufacturing environment
- Solid knowledge in manufacturing operations, internal controls (SOX) and PRC/US GAAP
- Prior China stationing and IT audit experience is a Plus
- Strong command of English and Mandarin

Candidate with less experience can be considered as **Senior Internal Auditor**.
