

## Director - Operational Excellence

- **Leading Apparel Manufacturer**
- **Dynamic & Challenging Role**
- **Rewarding Career Package**

Our client is a leading manufacturer specialized in apparel and package industries. They are one of the largest manufacturers in the region. Currently, they are looking for the position to deliver the best services to their clients.

The incumbent will directly report to Chief Operating Officer.

### **Responsibilities:**

- Lead all global operations and process improvement projects for the Group, including the establishment of new manufacturing plants, best-practice principals and global processes
- Develop and implement strategic and tactical business plans for the Group's global operations to ensure the achievement of operational efficiency, customer satisfaction, standard quality, social compliance, cost control and forecasted revenue
- Be the Group's champion for continuous improvements

### **Requirements:**

- Degree holder or above
- Minimum 15 years of operations management, project management, and process improvement experience in global organizations
- Strong abilities to manage stakeholders effectively and deliver projects with clear results
- Expertise in best-in-class operational practices and setting up new manufacturing plants
- An influential leader with the ability to lead and influence across functions and cultures
- Good command of written and spoken English, Chinese and Mandarin
