

## General Manager (Hotel)

- **Prestige Hotel Group in Asia**
- **Group Level Exposure**
- **Expatriate Package With Unparalleled Bonus Scheme**

Our client is a leading hospitality chain with luxury hotels and resorts covering the whole Asia. With continuous expansion, they are now looking for a seasoned hotel executive to head up their 6-star hospitality operations in Singapore.

The incumbent will report to the Group Managing Director.

### Responsibilities:

- Develop, recommend, implement and manage the hotel's annual and long term operation, sales and marketing, capital, revenue, expense and profit goals to meet corporate management expectations
- Management of multiple hotel properties and all F&B outlets including P&L responsibilities, sales and marketing, human resource and operations
- Coach and develop employees to maintain high performance standard and employee satisfaction
- Maintain and enhance quality of services and ensure intimate relationships with guests and all external parties

### Requirements:

- Degree holder in Hotel Management, Business Administration or related discipline
- At least 15 years hotel operation management experience with 4-5 star international hotel chains
- Excellent knowledge in revenue management and strategic planning
- A motivational leader with excellent management and problem solving ability
- Flexible and adaptable attitude to dynamic working environment
- Superb oral & written communication skills
