

CONTAINER TERMINAL MANAGER

Our client is one of the fastest growing port operators in Asia, which has one of the largest, privately-owned deep-sea terminals. Its current operations involve 4 conventional berths with an annual throughput of more than 4 million tons. It is expanding to include another 2 container berths capable of handling post-panamax container vessels.

Job Requirements:

- Minimum 5 years' experience in managing container terminals, preferably but not limited to Asia
- Conversant in all aspects of container terminal management
- Lead and manage a newly formed team and bring upon an amalgamation of talents
- Positive minded and highly resourceful personality
- A career path in logistics will be the ultimate and longer objective
- Nationality is open
- Multi-lingual candidate in Asian languages is an added advantage

Interested candidates, please email tina.ng@gsiconsultants.com.my. Kindly send your updated resume in MS WORD (with a recent photo) and indicate "Container Terminal Manager" as subject title. For more details, please contact **Tina** at GSI Malaysia (603) 2142 2218.
