

Director/Vice President – South East Asia markets

A European Private Bank with a significant market share, an impressive platform and an excellent reputation, is now looking to increase its presence in Singapore through the addition of outstanding Private Bankers with South East Asia market coverage.

Excellent career opportunities exist at both Director and Vice President levels for mature high calibre candidates who are likely to already have minimum AUM's of US\$200m and US\$150m respectively.

Team Leader positions also exist for suitable first class individuals who are keen to manage a portfolio of High Net Worth clients whilst building and mentoring a team of experienced Private Banking professionals.
