

Director/Associate Private Banker

- **Excellent career opportunity**
- **Foreign Private Bank**

Our client is looking to increase its presence in Singapore through the recruitment of high calibre industry professionals. Candidates should have a solid existing client base developed over a number of years with desired AUM's of US\$100m (Director) and US\$50m (Associate Private Banker).

Reporting to the Managing Director, PWM, Singapore, you will promote Wealth Management services and advise clients on investments. Responsible for establishing new prospective clients, acquiring new clients and further developing the level of service to the existing clientele in the South East Asian markets, the role will also entail preparing marketing plans and strategies in conjunction with the Managing Director-Head of Marketing of the South East Asian markets.

Successful applicants will have excellent inter-personal and marketing skills, an extensive knowledge of Private Banking investment products and will ideally be Degree holders who have completed Module 1 (Rules & Regulations for Dealing in Securities).

Apply now in MS Word format to barry.lawrence@gsiconsultants.com ref BL/PB1. Confidentiality assured. Only short-listed candidates will be notified.
