

Ms Nonglak Thanarak
Managing Director, GSI Thailand

Ms Nonglak Thanarak has many years of experience in the hotel and fast moving consumer goods industries. She holds a Bachelor of Arts and a Master of Science from the renowned Chulalongkorn University and Thammasat University respectively. In addition, Ms Thanarak possesses a Master of Science in Environmental Change and Management from the prestigious Oxford University.

Ms Thanarak joined the executive search business after her return from the United Kingdom. She has more than 10 years' experience in the executive recruitment of fast trackers and high-caliber executives. Ms Thanarak specialises in finding and placing sales professionals and senior management for companies across all industry sectors, particularly in FMCG, luxury products, pharmaceutical and retail industries.

Her extensive experience in executive recruitment has been instrumental in the success of establishing GSI as a premier executive search firm in Bangkok, Thailand.
